

How to use a debit or credit card to pay for VRMNC membership renewal and NOT provide info to, or sign up for, PayPal

VRMNC uses an electronic debit/credit card payment processing service hosted by PayPal, but you *do not need to have or to create a PayPal account* to use it. Here's how it works:

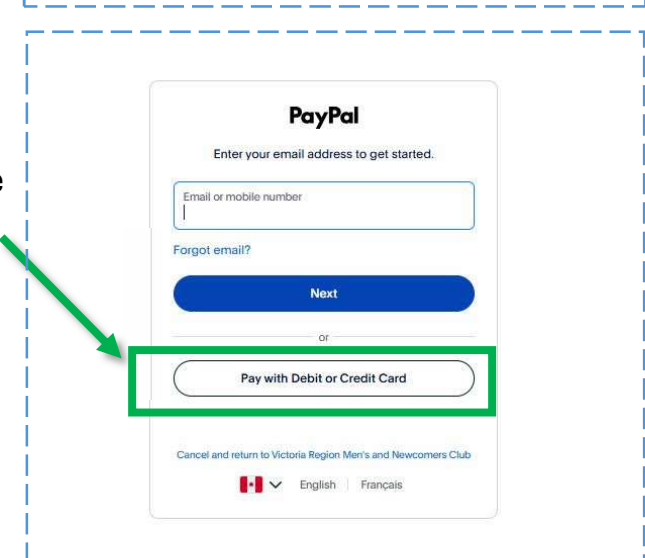

1. Go to VRMNC website and click on the “Join / Pay Dues” menu after you log in as a member. At the bottom of the page, click the “**Renew**” button:

2. Next a “**Membership Checkout**” screen comes up with your membership information. At the bottom of this screen is :
 - a checkbox for waiver (check this), and
 - a yellow “Check Out with Paypal” button.**You want to check the box and then click on the “Check Out with Paypal” button!**

3. A new PayPal window will pop up, that says “enter your email address to get started”. Do NOT enter your email here. Instead, click on the “**Pay with debit or credit card**” button below this.

- Now fill in this screen provide info such as country, email, credit card and billing info, and at the bottom you'll also find those annoying PayPal checkboxes.

Fill out the necessary payment card info on the top part of the form....

The screenshot shows the PayPal payment interface. At the top, there are 'Pay now' and 'Pay Later' buttons. Below that, it says 'Pay with debit or credit card' and 'We don't share your financial details with the merchant.' There are fields for 'Country/Region' (set to Canada), 'Email', 'Phone type' (set to Mobile), and 'Phone number' (set to +1). Below these are fields for 'Card number', 'Expiration date', and 'CVV'. A red circle highlights a toggle switch for 'Save info & create your PayPal account', which is currently turned off. Another red circle highlights a checkbox for 'You agree to receive PayPal marketing communication by email and other electronic means.', which is currently checked. A green box highlights the 'Agree & Pay' button. A green arrow points from the text 'Click on Agree & Pay' to this button. At the bottom, there are links for 'Have a PayPal account? Log in', 'Cancel and return to merchant', and language options for 'Français' and 'EN'. The footer includes 'Legal Privacy' and '© 1999 - 2026'.

but when you get to the bottom of the form, **UNCHECK** the two boxes that pertain to “Save info & create your PayPal account”, and “You agree to receive PayPal marketing etc etc”.

Also note: You DO NOT need to fill out the Date of birth and Occupation boxes.

**Click to UNCHECK BOTH of these boxes !
(They are checked by default, as shown here)**

- Click on the blue “**Agree & Pay**” button. You’ll get a acknowledgement and receipt via email.

Click on Agree & Pay

- Finally, scroll down and click on the “**Complete Payment**” button at the very bottom of the page. This button can be easy to miss!

Click on Complete Payment

- Sleep well knowing you have not provided any info to PayPal except what it needs to apply your credit card to the purchase.
